

*Wendy Savelle*

I am a Lifetime member of the Deutsches Haus and have participated in Haus's activities for over 25 years. I have been on the board for five years and am currently the Secretary and Chairperson of the Membership Committee. I am currently the Donation Coordinator and in charge of the Brick and Stein Locker Campaigns. I am captain of the Membership Booth at Oktoberfest and all other major events.

I received by B.A. in Education from The University of Florida, M.S. in Education from Walden University and have my National Board Certification in Middle Childhood. I retired in 2017 with 27 years in Education where I was a teacher for 19 years and an administrator for 8 years in the Jefferson Parish Public School System.

I am married to Gary Savelle, a retired New Orleans Fire Fighter, who is also a Lifetime Haus member. We enjoy finding remote and interesting places to travel.

I have dedicated numerous hours to the Haus and enjoy the monthly Kulturabend programs, KINO, Dinners, and trivia nights. I have always loved the friendless and openness of the Haus. I wish to continue the welcoming atmosphere and continue my progress on the board.
