

My name is David Wellmeyer and I am running for a Board of Director position. I have been a Life member since joining in 2010. My three children are all Life members also.

I have been on the Haus Board 4 times in the past. I have been co-coordinator of the volunteers for Oktoberfest multiple times, venue captain for the VIP area and recently for cheese and wine.

I made the motions to park cars on the Moss Street property during Jazz Fest prior to property development, to cancel the initial Haus project that was not financially viable and to ask Jack Gonzales to consider resigning as Board President and become the Haus manager. I was active in securing financing for the current Haus and was successful with help from Denise Barnett to convince Regions Bank to give us a very affordable interest rate.

I am married to Sandra Perez Wellmeyer for 37 years and live in Covington. We have 4 grandsons, three in Abita Springs and one in Perugia, Italy.

I retired in December of 2021 after being an Emergency Room physician for 33 years. I was board Certified in Internal Medicine and also a Registered Pharmacist.

I enjoy spending time with our grandchildren, fishing and traveling.

I'm looking forward to working again with the Haus leadership and continue the Mission of the Deutsches Haus.

Thanks for your consideration.

David M. Wellmeyer, M.D.
