

KELLI BINGHAM

Hello Deutsches Haus Members,

I have been an active volunteer and member of the Deutsches Haus for many years, with a strong personal connection to German culture through my mother. I currently serve on the Public Relations Committee, contributing to social media efforts, and on the Wine Event Committee, assisting in the planning, promotion, and execution of quarterly wine tastings and our annual Weindorf event.

My professional background includes experience in business development, marketing, producing, travel planning, and logistics within the film industry. My strengths include communication, coordination, organization, multitasking, crisis management, budgeting and negotiation.

In addition to serving on the Deutsches Haus Board of Directors from 2020–2023, I have previously served on the Executive Board of Women in Film & Television New Orleans, including two years as President. I am also a member of two wine societies: Krewe of Cork and Chaîne des Rôtisseurs, and the New Orleans Track Club, the New Orleans Film Society, and Film Louisiana.

I am proud to be a member of the Deutsches Haus, a strong organization with a rich history and a promising future. If elected, my focus will be on moving our organization forward by engaging a strong membership base and advancing our long-term strategic goals, including thoughtful expansion of our facility to further support our mission of promoting education and German culture. I look ahead with enthusiasm and would be honored to serve again on the Board of Directors.

Respectfully, Kelli Bingham
